

**ELMER LEUPEN**, NCE  
filmeditor

Ik ben een veelzijdig filmeditor met liefde voor kunstgerelateerde projecten en 30 jaar ervaring met het monteren van films voor bioscoop, televisie, video-installaties en opera's. Ik ben graag betrokken bij het gehele postproductieproces en werk veel zelfstandig. Ik geloof in een inspirerende werkrelatie met de regisseur om ten behoeve van de film creatief boven mezelf uit te stijgen. Mijn specialisatie is het maken van beeldcomposities en creëer indien nodig 2D of 3D content. Graag werk ik aan projecten over kunst en wetenschap.
